

Global groups

And so onto the global groups that I'm tracking or part of.

- Crisismappers: Crisismappers.net (and ICCM conferences), [Humanity Road](#), [Standby Task Force](#), [Geeks without bounds](#).
- Mappers: [open street map](#), [grassroots mappers](#)
- ICT4dev: [IEEE Engineering for Change](#)
- Open Data: [Open Knowledge Foundation](#) (and [CKAN](#)).
- Big data: [data without borders](#)
- Social innovation: [Code4America](#), [Mardi](#), [iHub](#), [km4dev](#)
- Technologies: [NextNet](#) ([building a distributed decentralized internet](#)), [W3C](#),
- Women in technology: [Women in Technology](#), [Girl Geeks](#), [85 Broads](#)
- Innovations: [British Library Entrepreneurs](#), [15inno](#), [Startup Bus](#)

This is only the start of a list that I'll add to when I remember all the job-related groups that I'm involved in.
